

# Insurance Underwriter

*Sandy, UT*

*Chicago, IL*

*Exton, PA*

*Naples, FL*

Prime Insurance Company is seeking driven, educated, experienced team players who possess exceptional professionalism, good time management and organizational skills.

## **Description:**

- The ideal candidate will creatively analyze, underwrite, and effectively manage Prime's book of business to ensure profitable growth
- Evaluate submissions to determine acceptability of risk in accordance with underwriting guidelines
- Prioritize and manage inventory of special projects, new business opportunities, renewal business, and in-force policy endorsement and service requests
- Understand pricing components and rating methodology to price business based on risk characteristics, financial review and competitive analysis
- Demonstrate technical and artistic / creative underwriting skills through strategic account review and detailed file pricing and risk documentation
- Stay apprised of state/territory issues, regulations and trends
- Effectively manage producer relationships to achieve production goals
- Collaborate with internal and external business partners

## **Qualifications / Requirements:**

- College degree from an accredited institution required
- Dynamic personality
- Exhibits strong critical thinking, analytical, and problem-solving skills
- Ability to effectively build, strengthen, and maintain internal and external professional relationships
- Proficient in risk analysis and pricing to achieve profitable growth
- Competent in use of technology
- Ability to function in a highly collaborative, fast pace, team environment.
- Outstanding oral and written communication skills.
- Ability to thoroughly analyze various risk factors and demonstrate a flexible, creative, and thoughtful underwriting approach
- Capable of taking on and effectively executing any professional task

## **Benefits include:**

- A robust benefit plan that far exceeds the standard plans found in many other companies
- 401(k) plan with company match depending on percentage of contribution
- Employee compensation (including performance bonuses) designed to reward skill, effort and encourage growth

- Open door executive management policy that allows employees access to top management and mentorship
- Ongoing internal training and development of skills – we prefer to promote our next generation of leaders from within

Job Type: Full-time
