

How to Get a Quote

Please read carefully and note that submissions without required documents will be delayed or returned.

If you're looking for a policy quote beyond 30 days from now, we ask that you reach out to us closer to your desired start date. **When you have all the documents listed below prepared, please email them to quotes@primeis.com.**

There is no minimum production requirement and producer paperwork is not completed until the first bind request.

We can only process quotes for policies starting within the next 30 days.

A Complete Submission Includes:

- A Completed supplemental/ACORD application/any carrier application. You can [download applications here](#).
- Currently valued loss runs (within 30 – 45 days) matching number of years in business, (if applicable minimum of 5 years) – Personal lines still requires CLUE or Statement of Losses
- A detailed email explaining why the risk is coming to us and what the strategy is to write the business
- Any Contractual Requirements – provide copy
- Auto MVRs on single unit risks or New Ventures; (MVRs are required during the quote process if not provided originally)
- If the risk is property: SOV for all buildings/structures
